PRESS RELEASE

2015/2016 ACADEMIC YEAR INTAKE FOR GENERIC UNDERGRADUATE SELF-SPONSORED CANDIDATES

The Lilongwe University of Agriculture and Natural Resources (LUANAR) is pleased to announce names of 896 generic undergraduate self-sponsored candidates who have been selected to pursue various programmes for the 2015/2016 Academic Year. These candidates are expected to arrive at LUANAR Bunda campus by Sunday 27th September, 2015 for registration and orientation.

The 896 candidates were selected using the equitable system of selecting candidates into public universities. Overall, 46% of the available places were offered to females while 54% were offered to males.

The successful candidates are advised that they would have to fend for themselves on all requirements for the duration of their studies i.e. food, accommodation, transport, stationery and other requirements relating to research and upkeep during work place attachments. The University has limited on-campus accommodation. Details on how candidates can apply for this can be obtained from the Director of Students affairs at our Bunda campus.

Successful candidates are further advised that the annual tuition fees for the 2015/2016 academic year shall be communicated in due course. The fees should be paid, in full before registration of the first semester or in two equal instalments at the beginning of each semester of an academic year, through any of the following bank accounts:

	NBS Bank	National Bank of Malawi
Account name	<u>LUANAR Fees Account</u>	<u>LUANAR Fees Account</u>
Account number	0050886475017	2175762
Branch	Lilongwe	Lilongwe Service Center
Swift Code	NBSTMWMMW	

Students will be required to present bank deposit slips to the University Cashier on registration to get a receipt which must be attached to their registration form. All candidates are further required to bring original copies of their academic certificates, identity documents and two passport size photographs for registration. Only students

who will have paid fees and fulfilled the registration requirements will be allowed to attend classes and access other university services.

Successful candidates are further advised that, following the promulgation of the Higher Education Students (Loan and Grants) Bill by parliament, all needy students would be eligible to apply for either Government Loans or Grants through the Higher Education Students Loans and Grants Board to enable them meet the costs for their studies. Procedures on how this would be done will be released by the Ministry of Education, Science and Technology.

We would like to congratulate all the successful candidates on being selected to study at LUANAR.

For further information, please contact the Admissions Office during working hours, using the following contact details: Tel: 01 277 900, 01 277 222, 01 277 249.
