Optimize
Your work perfection

WHAT SELECTED FEW SAY ABOUT THIS BOOK

“The eye opener to computerized world, and the beginning of efficiency.”
- Mr. Christopherson, Program Officer, European Union

“Excellent introduction to computers and modern technology.”
- Dr. N. Hahn, UNICEF Representative

“Window to the computer world.”
- Mr. B. Kasonda, Computer Coordinator, Ministry of Natural Resources

“Simply excellent.”
- Mr. A. Bassene, Operations Manager, UNICEF

“... full of fundamental techniques, and most of all it has built our confidence to explore other aspects of computer applications.”
- Post graduate students, Bunda College, University of Malawi

“...covers a wide range of topics in few pages, and explains the heart of the matter vividly.”
- Mr. David Mululani, Program Officer, WWF
